FORMER MARION MAN IS DEAD

**G. W. Holland Succumbs to
Nervous Prostration.**

Remains will be Brought to This
City for Burial in Marion
Cemetery.

Mr. George W. Holland, a former resident of this city, and a member of Marion Commandery No. 36 Knights Templar, died at his home in Warren, Ohio, early Tuesday morning. He had been ill for some time of nervous prostration, complicated with heart disease and his death came very suddenly.

Mr. Holland at the time of his death was in the employ of the Erie railroad company at Warren and had been in the employ of the road the major portion of his life. Born at Richwood, Ohio, he had become a telegraph operator on the Erie railroad, and after a number of years of service on the road had come to Marion, where he made his headquarters while traveling passenger agent for the same road. After little more than a year at this work he took up his home in Warren, where he had since been a clerk. He had occupied various positions at Warren, being at one time city treasurer.

He leaves a wife, together with a host of friends both in this and in his home city of Warren, where he has resided for the past twenty years to mourn their loss. Mr. Fred Painter, of South Main street, is a brother-in-law of the deceased and Mrs. Harriet May, of East Church street, a sister-in-law.

Funeral services proper will be held at the residence at Warren, Friday morning and the remains will be immediately shipped to this city, where they will be taken to the home of Mr. and Mrs. Frederick Painter, of South Main street. An opportunity will be given all friends to view the remains at the Painter home at two o'clock, when brief funeral services will be held, in charge of Marion Commandery No. 36, K. T. Rev. George M. Rourke, of the First Presbyterian Church, will officiate. The remains will be placed in the vault at the Marion cemetery.

Railroad Notes

Railroad employees of the Pennsylvania road are amusing themselves relating an experience, which occurred at Crestline Monday evening. According to the story, the Pennsylvania road had authorized by bulletins the abandonment of a crossing known as Fry's crossing near Crestline, owing to the fact that there was another near by which could be used as well and furthermore was less dangerous. The farmers of the vicinity, however, thought differently and proceeded at night to replace the crossing with the planks, which the railroad men had laid at the side of the road. The first engineer, who passed the crossing, discovered the change and notified the authorities, whereupon the officials sent a gang of section men to the scene at once and the crossing was torn away. The railroad company at once applied for an injunction in the common pleas court to restrain the farmers from further establishing the crossing as they had threatened to do.

MEETING CALLED

County Committee will Meet in Court Room, Saturday.

The Democratic Central committee will meet Saturday afternoon for the purpose of issuing a call for a convention to nominate delegates to the state convention. It is also possible that a date will be set for the county convention.

MOVES TO MARION

Dr. C. G. Smith of Byhalia a Resident of the City

Dr. and Mrs. C. G. Smith, of Byhalia, have moved to this city, where they will make their home. Dr. Smith will take up the practice of Dr. H. J. Lower in his absence for the next few weeks and upon his return, the two will take up the practice of medicine at the office of the latter. An operating room will be constructed to the present rooms of Dr. Lower and operations will be made a specialty.

SUIT AGAINST HOCKING VALLEY

Filed by Administrator of
Roy T. Jones' Estate.

\$10,000 DAMAGE ASKED

Verdict Returned Against
the C. D. & M.

The Court Orders Jennie Davis to
Submit to a Examination—
Jury Excused Until March 5.

Asking \$10,000 damages from the Hocking Valley railroad for negligence which it is alleged caused the death of Roy F. Jones, Melvin Jones, administrator of the estate of the deceased, filed a petition in the common pleas court today.

It is claimed that Roy F. Jones met his death November 20, 1907, in the Hocking Valley engine house in this city. The engine room is a rather small affair and it was partly due to the cramped quarters that Jones was caught in the machinery and hurled to his death. The petitioner states that for twenty-four hours previous to the time of the accident, Jones was at work as a fireman on the yard engine of the company and that after he had turned the engine over to another person the foreman ordered him to work on the stationary engine, unlawfully causing him to work more than twenty-four hours without rest.

The deceased was thirty-eight years of age and leaves a wife and two infant children.

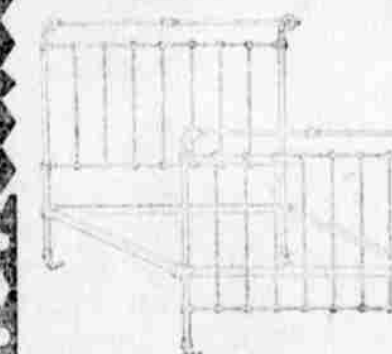

W. N. Harder is attorney for the petitioner.

In the case of Jennie Davis against the Marion Railway Light and Power company, the defendants today filed a motion asking the court to require the plaintiff to submit to the physical examination. The court sustained the motion and ordered the plaintiff to submit to such examination before March 7. The court also ordered that in case it is impossible for the parties to a arrange a date for the examination it must be held March 3. The plaintiff was injured while alighting from one of the company's cars at the corner of State and Center streets on November 6, 1907. She claims that she is disabled and will always be a helpless cripple, requiring constant attention.

After being out about an hour yesterday afternoon the jury in the case of John Beringer against the C. D. M. returned a verdict for \$38.72 for the plaintiff. Beringer brought suit against the company for \$10 in the court of Justice Thompson and secured a verdict for that amount. The defendant company carried the case to the common pleas court. Beringer

claimed that a cow belonging to him was killed by one of the cars of the defendant.

The case of Jennie Stephens against Jacob Lensenmeyer, administrator of the estate of Charles Lensenmeyer, deceased, set for trial in the common pleas court for today was settled this morning. The plaintiff brought suit for \$133 for nursing Charles Lensenmeyer during his last illness. It is stated that the defense agreed to pay the costs of the suit and \$100.

The jury in the common pleas court was dismissed today and will not report until March 5.
